Hextio Air Purifier

24/7 Air Disinfection

Continuous
High output
LED indicators

The Hextio air purifier from Prescient^x is unlike other air purifiers. Hextio utilizes TiO₂ activated carbon in order to destroy harmful viruses and bacteria, as well as mold, fungi, fine dust, VOC's and allergens. The Hextio is recommended for rooms 200 square feet in size, making it ideal for most rooms in your home or office.

Automatic features detect air pollution and switch to full fan without any user input, lights then indicate to the user when the air is clean. Hextio also offers a light free sleep mode.

Accessories

Travel Bag
Power Bank
Fragrance Oils
